- ★ Railway Safety
- ★ Road Safety
- ★ Water Safety

**Where:** local parks, streets, town centre

# Contextual Safeguarding at St Margaret's CEVAP School

★ School location

○ Potential exposure to County Lines, drug dealing, CCE

## Areas of Focus and Concern

Police operations and public reports have highlighted the following areas as having issues with anti-social behaviour, drug use, and drug dealing:

- **Town Centre / Tavern Street:** Police conduct regular patrols in the main shopping areas, including Tavern Street and the Buttermarket, to disrupt criminality such as shoplifting and county lines drug dealing.
- **St Lawrence Church Area:** Previously, this specific churchyard area faced problems with anti-social behaviour and drug usage, leading to the council implementing measures like clearing vegetation and installing cameras.
- **Maple (Jubilee) Park and Nacton Road Areas:** A 2017 report from the University of Suffolk highlighted high levels of crime, gang activity, and drug dealing in these areas, which are generally located in the south-east of Ipswich.
