

Year 1 Curriculum Map – Spring

English

This term, we will be following 'Lila and the Secret Rain' and 'The Bee who spoke' as our stimulus for reading and writing. Phonics will be carried out daily.

Maths

This term we will focus on place value with numbers to 50. We will begin to learn strategies for addition and subtraction, with a focus on number bonds to 20. We will also learn about length and height and mass and volume.

Science

Your child will be learning all about animals. We will be identifying, naming and sorting animals. We will also learn what the words carnivore, herbivore and omnivore mean. During the second part of the term we will focus on materials and seasonal changes.

RE

This half term our focus is 'How does a Hindu celebrate devotion to a deity at the festival of Holi?'. Later in the term we will focus on Christianity and explore 'What are the best symbols of Jesus' death & resurrection at Easter?'

History/Geography

This half term we will be focusing on Geography. We will be comparing the countries and capital cities of the United Kingdom. In history, we will be exploring 'How have shops changed in living memory?'

Art and Design and Technology

For the first half of the term we will be focusing on DT; we will be creating our very own bunting using the design, create and evaluate process. Later in the term we will explore and recreate the art work of Van-Gogh.

PE

Our focus this half term will be on hand ball skills and dance. The following half term will be football skills and attack and defence skills.

Computing

In computing, we will be learning about giving precise instructions and how to effectively program a robot. We will also be learning about technology around us.

PSHE

In PSHE we will be using the Jigsaw approach to discuss and learn about 'Dreams and Goals' and 'Healthy Me'.
