

# Year 1 Curriculum Map - Summer

## English

This term, we will be following 'Lost and Found' by Oliver Jeffers and 'Man on the Moon' by Simon Bartram as our stimulus for reading and writing. Phonics and reading will be continuing daily in conjunction with handwriting and spelling.

## Maths

Continuing with maths mastery we will be learning strategies to work out multiplication and division questions. We will begin to learn about fractions and finding one half and one quarter of a shape and quantity. We will also learn about money and time.

## Science

In Science our focus will be on plants. We will learn how to label the different parts of a plant as well as researching different types of plants and classifying them accordingly. During Summer 2 we will be learning all about the human body.

## PE

In our PE sessions we will be preparing for sports day, as well as consolidating our bat and ball skills. We will also learn to play rounders.

## History / Geography

In Geography we are going to be learning about our local area using basic compass and map reading skills. In History we will be learning about how seaside holidays changed in living memory.

## Art / DT

In Art this half term we will be exploring how to make a clay boat. We will be experimenting with different malleable substances and exploring how to roll, join and make imprints. In DT we will be learning to make sliders and levers to create a moving space picture.

## PSHE

In PSHE we will be using the Jigsaw approach to discuss and learn about the following units: 'Relationships' and 'Changing me'.

## Music

In Music we will be having fun with improvisation and exploring sound to create a story.

## RE

We will be exploring why do Christians pray to God and why do Jewish families say so many prayers and blessings.

## Computing

In computing, we will be consolidating our logging in skills using and using a word processor to create and save a simple document. We will also explore programming simple animations.
