

# St Margaret's CEVA Primary School Progression Map

## Subject: Reading

**Intent:** Our reading curriculum aims to establish an appreciation and love of reading at all stages of their reading journey. We are committed to sharing high quality and vocabulary rich texts across the curriculum so that children may discover knowledge of themselves and the world in which they live. We encourage our pupils to discover new information and develop their comprehension skills by reading widely, using both fiction and non-fiction texts which (where possible) are linked to their topics across the curriculum. We want to encourage a lifelong love of reading for pleasure.

**Impact:** By the time pupils leave St. Margaret's they will be enthusiastic and competent readers who can recommend books to their peers, seek out books from a range of different genres including poetry and engage in discussion about authorial choices or impact on the reader. They will be able to apply their reading skills to access any subject in their secondary education and beyond.
