## **Introduction**

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public. To do this we must produce a publication scheme, setting out: the classes of information which we publish or intend to publish; the manner in which the information will be published; and whether the information is available free of charge or on payment.

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form

Some information, which we hold, may not be made public, for example personal information.

The publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

## **Categories of information published**

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

1. School Website – information published on the school's website.
2. Governors' Documents – information published in governing body documents.
3. Pupils & Curriculum – information about policies that relate to pupils and the school curriculum.
4. School Policies and other information related to the school – information about policies that relate to the school in general.

## **How to request information**

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email or letter. Contact details are set out below.

## **Paying for information**

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request. Where there is a charge this will be indicated by a £ sign in the description box.
