Wellbeing

The children have discussed with their classes how happy they are in school. Some children are finding it unfair that they are always the last ones to go for lunch. They have suggested that the first and second bell should come back. Other children are unhappy that there are fights and arguments at lunchtimes, rather than fun play.

The following suggestions were put forward to improve well-being:

- KS2 to get a turn on the astro
- Equipment and organised games at lunchtimes
- More comfortable uniform
- A greater variety of snacks in KS1 eg cucumber and raisins
- More ball games in PE
- A school football team to be put in place
- A comfortable carpet for KS1

Reassuringly, all children know where their class worry box is and how to use it.

Charities

The children would like to support Children in Need this year by holding a non-uniform day, on Friday 13th November. They have also suggested doing sponsored races/a walk around the playground as another way to raise money. The school council members will design posters before the next meeting, to be put up around the school and the best one, voted by Mrs Goldfinch, will be scanned and sent out in an email to parents/carers about the non-uniform event.

Actions

- Posters to be created for non-uniform day
- Children speak to their classes about suggestions for a charity they would like to support this year. So far, they have Young Minds and the Teenage Cancer charities as suggestions.

Next meeting

Monday 9th November at 1.15pm
