Our Inclusion Team

Working together so every child can thrive

Inclusive · Supportive · Together · Respectful · Brighter Futures

At St Margaret's CEVAP School

We are committed to ensuring every child feels valued, supported and are able to thrive. Our Inclusion Team works together to provide targeted support across SEND, pastoral care, attendance, safeguarding and English as an additional language.

How can parents access support?

If you have any concerns about your child's development, communication, social skills, emotional wellbeing or behaviour please speak to your class teacher in the first instance. They will work with the inclusion team to identify the right support.
