

EYFS Newsletter

sept 2025

Hello!

We wanted to put out a message to let you know how wonderfully your children are getting on. We have loved getting to know them all and helping them settle into St Margaret's

End of the day arrangements

Thank you for being patient with us at pick up times. Please encourage your child to wait in the line to ensure a safe handover and so we can deliver any important messages to you.

What We're Learning

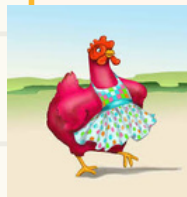

Your child should now have brought home 2 reading books - one to read to you (wordless) and one to read together. Please record any reading in the orange reading journal.

PE days are every Friday so your child can come to school in their PE kit on this day.

Date for the diary!

We would like to invite you to come and listen to your child/ren retell the story of The Little Red Hen on Friday 10th October at 2.40 p.m. More details to follow

Communication

Class emails:

penguins@stmargaretsipswich.org

puffins@stmargaretsipswich.org

Thank you once again for your incredible support in helping your child get off to a wonderful start on their school journey
