Parents' Evenings

Thank you for attending parents' evenings. It was good to have the opportunity to meet face to face and talk about how your children have settled into their new classes. Lots of exciting things are planned for next half term and we know you will enjoy talking to your children about their learning and experiences at school.

World Mental Health Day

On 10th October we celebrated World Mental Health Day. The children wore yellow clothing and thought about ways to support our mental health and wellbeing as part of their lessons.

Here are some useful links.

Black History Month

As part of our focus on black history the children participated in a whole school assembly as well as accessing a range of other activities and experiences during the month.

Dyslexia Awareness

The children were made aware of Dyslexia Awareness Week earlier this month. There was discussion with some of the older children about how Dyslexia is a 'superpower' and how all our brains work differently.

Attendance

Start and end of the day

The school gates are opened at the following times...

8.30am – 8.40am

3.10pm – 3.20pm

Please endeavour to come into school via the entrance on Cobbold Street and leave by walking up the slope and out onto Bolton Lane. If on the odd occasion you arrive at the time the gate on Cobbold Street is being closed, your child may be permitted to come in via the Bolton Lane gate and enter the playground on their own. Once both gates are locked, latecomers should enter via the school office.

Please make every effort to be punctual as arriving late can be upsetting for pupils and disruptive to the education of the rest of the class. Thank you for your cooperation.

School Uniform

As a school we are proud of our uniform and we work hard to keep our uniform standards high, including PE kit, to ensure our pupils are smart, confident and ready for high school.

Thank you for working with us by ensuring your child is wearing the correct uniform.

Year 6 Play Leaders

Congratulations to the Play Leaders in Year 6. They received very positive feedback from the person leading their training, and we were informed that they were some of the best leaders from the local schools she had visited.

We're very proud of you!
