## WELCOME BACK TO SCHOOL

It's been wonderful to welcome back all our pupils this week after the summer break. And a very warm welcome to those pupils and families who join us for the first time.

## Information for New Parents

A special welcome to our new Reception parents. All communication will either come to you via Parentmail, hardcopy (please check your child's bookbag every day), text, newsletter, Learning Ladders and class teacher email. There are two opportunities to talk to your child's teacher face to face on a daily basis with very quick information such as 'my child is going home with', at drop off and pick up times. If you need to speak at length please email your class teacher and book a telephone appointment.

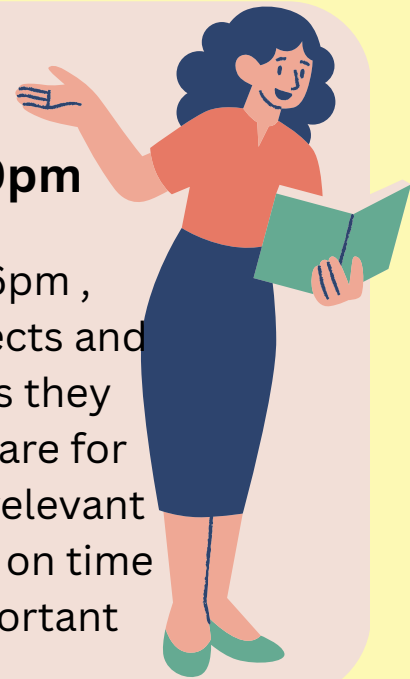

If you have any concerns regarding your child's transition or learning please speak to your class teacher in the first instance and following that, Mrs Maudsley as EYFS Phase Lead. We need to let you know that we operate a one way drop off system, which keeps the morning and afternoon drop off and pick up orderly and calm.
